MEMORANDUM FOR: Director of Personnel

SUBJECT : Request for Exception - Retirement Travel
and Transportation of Effects for
Mrs. [REDACTED]REFERENCE : Memo to D/Pers fr Chief, CI Staff dtd
31 Oct 75, same subject (DD/A 75-5316)

1. I have not approved the attached request for an exception to [REDACTED] in that I do not believe that I have such authority. As I recall, the OTS case which I approved was not really similar to the attached.

2. While I am aware that her retirement is based on Civil Service System medical disability, I am mindful of the fact that except for her assignment to the Agency, Civil Service would not authorize retirement travel and shipment of effects.

3. The only basis on which I feel Mrs. [REDACTED] retire-
ment travel and relocation of effects could be approved
would be under [REDACTED] Based on the information pro-
vided in the referent memo, however, I do not feel that
sufficient justification is provided to substantiate her
case as "arising out of the unusual functions of this
Agency . . ." If additional justification can be provided,
I will be glad to reconsider.

1. The attached memorandum from the Chief, CI Staff requests a waiver to [REDACTED] to authorize retirement relocation travel from Washington, D.C., to Bloomington, Indiana for Mrs. [REDACTED] a GS-13 (Step 4) contract employee. Mrs. [REDACTED] is a disability retiree under Civil Service Retirement effective 1 October 1975. Her original contract as a contract employee effective 1 November 1965 did not provide for payment of travel expenses to her home of record upon completion of the contract. This case is similar to an OTS employee earlier this year approved by the ADDA.

Mrs. [REDACTED] is 61 years old.

Pending a revision to the regulation authorizing retirement relocation for contract employees, I recommend your approval of this request as a waiver to [REDACTED]
